

# East Fairhaven School Summer Reading Program

This year the staff at East Fairhaven is asking that each student reads one particular book over the summer before classes begin. Teachers will be conducting lessons related to this book when children begin the new school year. The Millicent library will be notified about our reading list along with both Barnes and Noble and Baker Books if you wish to purchase the book. If you are unable to find the book we will have copies available here at the school during the month of August which you can borrow.

Summer presents a unique opportunity to learn in a relaxed enjoyable atmosphere. Please sit along with your child and help them with their reading and read to them. It is one of the most important things you can do. Have a happy and safe summer.
